DETAILED ACTION

Response to Amendment

The applicant's amendment received 6-2-2005 overcomes the primary examiner's prior art rejection. **Hence claims 2-5, 8-11, 14-17, 20-23 and 26-29 are allowed.**

Information Disclosure Statement

The applicant requests a signed copy of their IDS "submitted 11-2-2004". The only IDS in the case is dated 11-4-2004. The examiner has signed/sent a signed copy twice. Please find attached both copies. If this is not the requested IDS, then it must be missing – it will have to be resubmitted.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

1. The applicant has amended per the primary examiner's recommendations, eg. all previously rejected claims have been cancelled leaving only the previously allowed claims. Hence the remaining claims are novel in the examiner's opinion over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
